52 Great Management Tips Eric P. Bloom

As a weekly **nationally syndicated columnist** with GateHouse Media, over the course of the year I publish 52 columns on a wide variety of management topics. These topics were inspired by questions from readers, important business trends, and core management values and activities. Then, at year end, I organized them in a way to help you answer the following types of questions.

- Ok, you were promoted to manager. Now what?
- What is your management style and is it effective?
- How can you successfully lead your team?
- How do you deal with difficult employees?
- How do you effectively communicate with others?
- What is the hardest part about hiring new people?
- As a manager, what processes do you need to know, and why?
- How do you deal with issues such as privacy, gossip and office jokes?

Happy reading and best wishes, Eric
