#### **Beatrice Raybon:**

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this *Communicating in the Small Group: Theory and Practice (2nd Edition)* can make you feel more interested to read.
