Don't Call Me Hero Eliza Lentzski

It's been over a year since Cassidy Miller retired from the United States Marine Corps, but try telling that to her nightmares. She knew that coming back after eight years in a war zone wouldn't be easy, but she'd underestimated the real difficulties of transitioning back to civilian life. War is hell, but the aftermath is endless. Looking for a fresh start, she's left her friends and career in Minneapolis to be a police officer in northern Minnesota. It's in the tiny town of Embarrass where she learns more about Julia Desjardin. The city prosecutor is cool, professional, and untouchable. But she and Cassidy have history, and Cassidy isn't going to let her easily forget that. For all their surface differences, Cassidy and Julia have more in common than they first realized—both are reluctant to hand over their pasts to be judged and studied. But it might take someone just as damaged as the other to help each cope with the skeletons in their respective closets.
