Book 1: Benjamin Roscoe is having the birthday party of his dreams. All of his friends are around, the food is great and Minecraft is everywhere. What could go wrong? After a nasty fall, Benjamin is transported into the world of Minecraft. He'll have to try to survive, but who knows when he'll return home?

Book 2: Nathan Lives at home with his Mom and Dad. He is looking forward to the school holidays, when he will go to his grandparents' ranch in the country. The night before they are due to leave, Nathan sneaks downstairs against his parents' wishes to play his favorite game of Minecraft on his Xbox.

But when something unexpected happens Nathan suddenly finds himself inside the game, desperately fighting for his life against all manner of fearsome creatures. In order to survive he must make weapons and is helped by Timmy, his friendly wolf who finds them food to eat, and protects him from zombies and other dangers.

As the two friends make their way through the forest Nathan steadily comes to rely more heavily on Timmy, until he finally leads them both to a place of safety.

But even there, they still aren't completely secure and still face danger.

Will Nathan survive his encounter inside his own game?

Will he ever find his way home?

Book 3: Journey through Africa with Humphrey as he gets stuck in a Minecraft game. It's quite graphic with blood and gore, but if you are up to the challenge, you may make it alive!
