In our time-starved, standards-driven world, it's essential to make the most of every classroom minute. This research-based, practical guide shows teachers how to seamlessly integrate reading strategy instruction across the curriculum and across the day, so students use strategies in a purposeful way that makes the instruction stick. Includes discussions of efficient big-picture planning, effective modeling, and productive guided and independent practice activities, along with planning sheets, sample big-picture plans, model lessons, and dozens of classroom vignettes. For use with Grades 3–8.
