Reality Through the Arts Dennis Sporre

This book provides a comprehensive two part real-world introduction to the history of art, Western as well as non-Western. The first part presents the available media and how each works. The second part traces a history of various artistic styles to demonstrate how artists have used those media to portray human reality. Reality Through the Arts provides generous illustrations the book to draw readers into the magnificence of the world's art. It delivers critical comparisons among various styles through a straightforward presentation and a unity of treatment among artistic styles while covering all the arts, including more than 50 pages of non-western materials to provide readers with a multi-cultural and multi-arts view. The third edition has been revised to include boxed features on reality-related artworks exposing the critical relationships linking art, media, and artists.
