Interview with the Author

Q - Why do you write about witches and warlocks?

A - I adore the ancient aspect of the Wiccan world. Several of my books and series touch on that deep past. It's an endless source of fascination, not to mention opportunities for action and romance.

Q - Do you wish you were a witch?

A - Oh most definitely! But who wouldn't? I could get used to massively gorgeous, protector warlocks pretty quickly. ;)

Q - What order should I read the books?

A - The Hollow City Coven series is numbered one through six (the Silver Wood Coven is one through five; Castle Coven is one through six; the Magus Corps series is one through seven). Although the Magus Corps series was the first one I created in the paranormal world of witches and warlocks, you can read the Hollow City Coven series first with no problem at all!
