The Essays of Montaigne (Complete Edition) (Translated and Edited)

Michel de Montaigne

The Essays of Montaigne (Complete Edition) (Translated and Edited) Michel de Montaigne
Especial edited version by William Carew Hazlitt.

Montaigne discusses subjects as diverse as war-horses and cannibals, poetry and politics, sex and religion, love and friendship, ecstasy and experience. Above all, Montaigne studied himself to find his own inner nature and that of humanity. The Essays are among the most idiosyncratic and personal works in all literature. An insight into a wise Renaissance mind, they continue to engage, enlighten and entertain modern readers.

Montaigne's stated goal in his book is to describe man, and especially himself, with utter frankness and honesty ("bonne foi"). He finds the great variety and volatility of human nature to be its most basic features, which resonates to the Renaissance thought about the fragility of humans.
