The Free: A Novel Willy Vlautin

Award-winning author of *The Motel Life*, *Northline* and *Lean on Pete*, Willy Vlautin demonstrates his extraordinary talent for confronting issues facing modern America, illuminated through the lives of three memorable characters who are looking for a way out of their financial, familial, and existential crises in *The Free*.

While serving in Iraq, veteran Leroy Kervin suffered a traumatic brain injury. Frustrated by the simplest daily routines, and unable to form new memories, he eventually attempts suicide. Lying in a coma, he retreats deep inside the memories locked in his mind. Freddie McCall works two jobs and still can't make ends meet. He's lost his wife and kids, and the house is next. Medical bills have buried him in debt, a situation that propels him to consider a lucrative—and dangerous—proposition. Pauline Hawkins is a nurse at the local hospital. Though she attends to others' needs with practical yet firm kindness, including her mentally ill elderly father, she remains emotionally removed. But a new patient, a young runaway, touches something deep and unexpected inside her.

The lives of these characters intersect as they look for meaning in desperate times. Heartbreaking and hopeful, *The Free* is a testament to the resiliency of the human heart. *The Free* also includes a P.S. Section (additional material in the back of the book) with interviews, insights, and more about the author. Vlautin is the founder of the alternative country band Richmond Fontaine and his debut novel, *The Motel Life*, has been made into a film starring Emile Hirsch, Stephen Dorff, Dakota Fanning, and Kris Kristofferson.

From reader reviews:

Shari Yung:

What do you about book? It is not important along? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this The Free: A Novel to read.

Ronnie Miller:

As people who live in the particular modest era should be revise about what going on or info even knowledge to make these keep up with the era and that is always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know what kind you should start with. This The Free: A Novel is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

Odis Hillyard:

The actual book The Free: A Novel will bring one to the new experience of reading a book. The author style to elucidate the idea is very unique. Should you try to find new book to see, this book very suitable to you. The book The Free: A Novel is much recommended to you you just read. You can also get the e-book from the official web site, so you can quickly to read the book.

Edna Spalding:

Playing with family in the park, coming to see the marine world or hanging out with buddies is thing that usually you might have done when you have spare time, in that case why you don't try issue that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Free: A Novel, it is possible to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't buy it, oh come on its called reading friends.
