Unpredictable (Lady Jenniviere's Quill) Lady Jenniviere

Suzie Bing hates rules. Hates them so much she's willing to curse them. Her foolish action triggers a frenzy of mind-blowing consequences that catapults her into a senseless world where rules are gone forever.

This is a catastrophe. The sun is dead. Her bones are failing. Even the constitution of the United States has disappeared into oblivion. Suzie quickly realizes the truth--rules are essential for a happy life.

But what can she do when the world has run amok?

Turn to her brilliant sister, Ryder, for help? Yes! Together she and Ryder are on a mission to restore order to a chaotic universe and recreate peace among the ruin.

INTERVIEW WITH THE AUTHOR

Q - What makes Lady Jenniviere's Quill different?

A - I write Lady Jenniviere's Quill to make a difference in how children read. I want my books to offer important messages, to invite imagination, to show a different view point, but most importantly to teach children that life isn't always wrapped up in a neatly packaged happy ending. Sometimes the hero wins, sometimes they fail and sometimes the monster turns out to be the hero. Life isn't black and white. My books are written to illustrate the beauty of the gray parts.

Q - What order should I read the books in?

A - Although, some characters appear in more than one book, I've written the series so you can read the books in any order.

Q - So, why should readers give these books a try?

A - Lady Jenniviere's Quill books are written so both children and their parents will enjoy reading them. It is my hope that the books will serve as a spring board for discussion. That is why each Lady Jenniviere's Quill book has a life lesson.
