“You know what the best gifts are? Gifts that are from the heart.”

Allen thought about Papa’s words for a long time. What kind of gift would be suitable for the best mommy Martian in the entire galaxy?

In a school for Martians, the teacher asks the students what they think Mother’s Day is all about. They discuss among themselves what makes their mommy Martians so special, and what plans they had to show them their appreciation on Mother’s Day. Some mommy Martians cut the crust off their sandwiches! Some mommy Martians snuggle with them in a warm blanket and have movie time!

Allen likes listening to all of their reasons and ideas, and thinks that they are great. However, his mother is really special. She deserves the “bestest” gift ever! So, he decides to make a special card for his mother, one that can’t be bought with money. When he starts to assemble his gift, he makes a big mistake and spills all the glitter and glue! Oh no! Now what?

Allen remembers Papa’s words and realizes that he still has a trick up his sleeve...
