## **Satan Rising!** Barry Mac

Written by a card-carrying member of the Church Of Satan, this is a concise, uncompromising history of Satan and Satanism which finally sifts the Facts from the Fantasies. Appearing at the start of a new millennium where the primitive dogmas of Monotheistic religions still control the minds of billions and where the 57 varieties of quasi-Christian "White" Popular Occultism continue to provide safe havens only for the weak and the stupid, this book is also a welcome, timely antidote to the 21st Century's online pestilential plague of Fake Satanism.
