Counterpane: And Other Poems Brandon K. Nobles

Counterpane (And Other Poems) is a uniquely passionate anthology; written between Mr. Nobles' last commercial release, *Nobody* (2008), and *The Science of Expression* (2014), it is [a] widely varied and remarkably well-realized collection, full of touching and intimate odes and ballads, lofty, searching sonnets and elegies, and shameless, almost embarrassingly personal narratives. An interesting entry to the already varied bibliography of the young American author, *Counterpane* is, if nothing else, worth a look from fellow poets, and a unique release from an up-and-coming talent.
