Molière

The Misanthrope, Tartuffe, and Other Plays (Oxford World's Classics) Molière

This unique volume brings together four of Molière's greatest verse comedies covering the best years of his prolific writing career. Actor, director, and playwright, Molière (1622-73) was one of the finest and most influential French dramatists, adept at portraying human foibles and puncturing pomposity. *The School for Wives* was his first great success; *Tartuffe*, condemned and banned for five years, his most controversial play. *The Misanthrope* is his acknowledged masterpiece, and *The Clever Women* his last, and perhaps best-constructed, verse piece. In addition this collection includes a spirited attack on his enemies and a defense of his theater, in the form of two sparkling short plays, *The School for Wives Criticized* and *The Impromptu* at Versailles.
