"There is no greater theft than that of a child's heart." Unfortunately, as young Emily discovered, there is often no easier crime for an adult to commit.

Since being left in the custody of her abusive step-father, her life had gone from being a mere blur to something of a perpetual nightmare. Forced to endure the kinds of depravities that would shock even the most hardened of therapists, she had become too scared to even contemplate running away.

But there comes a point in every such situation where the victim no longer has anything to lose. A point where the will to escape trumps the will to live. This book is that point. This is her shocking true story.

DISCLAIMER: This book is based upon a true story of child abuse, and as such contains passages that some readers may find disturbing.
