Abisal. Dientes de León (Spanish Edition) Osmani Baullosa Acosta

¿Qué relación existe entre la criatura llamada comúnmente chupacabras, la cacería de ballenas en la primera mitad del siglo XIX, la llegada de célebres navegantes europeos a Sudamérica por la misma época, la Holanda de los años 1630, turbada por un insólito deslumbramiento de sus habitantes con las flores de los tulipanes, las epidemias en La Habana colonial, las tribulaciones de una joven soprano francesa en la corte de la emperatriz Catalina II de Rusia...?

Dichos sucesos, mostrados en este Primer Volumen de ABISAL, amén de estar ligados unos a otros, inciden todos en la existencia del protagonista principal de la novela, un hombre que nació el año 1818 en la ciudad norteamericana de Boston, residió en Chile desde su juventud -real- hasta su bien disimulada ancianidad, y que más de un siglo y medio luego de su primera venida al país, regresa al mismo trasformado en un ser que bebe sangre de animales en las noches, tras cometer actos similares en las demás naciones de las Américas; inofensivos, si se comparan con actos suyos antiguos, ignorados hasta ahora.
