Do you consider yourself "spiritual" but not "religious"? Do you shy away from associating with modern-day Christian churches, or do you avoid religion altogether? Perhaps you simply hang your hat on the spiritual peg...just in case? *God in a Box* takes a look at Christianity from the perspective of one who believes that religious fundamentalism is oppressive and controlling, with fear and guilt as the natural consequences. Author Marion Pember describes his journey from being a fundamentalist Christian to becoming a Christian agnostic-or a "recovering fundamentalist." His book eloquently explores what it means to believe in God, and introduces the concept of the "God box"-the metaphorical box that holds your personal beliefs about God, regardless of your religious background. The book also sheds light on the truth of the Bible hidden within the myth and metaphor found in the pages of scripture. Whether you're struggling with questions about fundamentalist beliefs or simply need to evaluate your own belief system, *God in a Box* offers clear, insightful logic. It's a thought-provoking study of what it means to be a Christian, offered in a way that everyone can understand-and enjoy.
