SCRAPYARD SHIP (Book 1)

Lieutenant Commander Jason Reynolds has had a string of bad luck lately -- evident by the uncomfortable house arrest bracelet strapped to his right ankle. Worse yet, he's relegated to his grandfather's old house and rambling scrapyard. To complicate things, the women in his life are pulling from every direction. But It's through a bizarre turn of events that Jason is led to a dried up subterranean aquifer hundreds of feet below ground. Here he discovers an advanced alien spacecraft, one that will propel his life in a new direction.

The adventure begins... and with it new troubles for Jason: The Craing, an unstoppable interstellar threat, is headed right for Earth. A desperate situation goes from bad to worse as the Alliance crumbles.

Fortunately, Jason's unorthodox and impetuous nature seems to work in his favor as he moves up to the captain's chair. First order of business is to reconnect with his SEAL team compatriots and face this enemy head on. What's at stake? The very survival of the human race.

This is a full-length 70,000-word novel, first in the science fiction adventure series for Scrapyard Ship. Also note... the sequel, HAB 12 is also now available!

HAB 12 (Book 2)

Captain Jason Reynolds faces new challenges, not only on Earth but from the far side of the universe as well. The only way to stop the Craing this time will be to square off with them on their home turf.

Jason's been informed that three powerful Craing warships, having similar technology as The Lilly, will soon be en route to Earth. The Alliance must destroy the Craing's wormhole means of distant space travel to avert Earth's total annihilation. Unfortunately, there's no way to reach the Craing worlds in time, at least not through conventional means.

It's up to Jason and his hand-picked assault team to traverse, by advanced phase-shifting means, through the hazardous environment of HAB 12. This is an adventure fraught with carnivores of a Jurassic Age magnitude, and a terrain so deadly that turning back may be their only hope of survival.

SPACE VENGEANCE (BOOK 3)

Captain Jason Reynolds is back! In the third installment of the Scrapyard Ship sci-fi adventure series, Space Vengeance, Jason, his family, and The Lilly's crew face the impending destruction of their internal nano-devices. What's worse, what remains of the Craing fleet, some 1500 warships, is back and headed straight toward the already decimated planets within Allied space. In what looks to be a one-way suicide mission, Jason must leave Nan and Mollie behind on Earth and out of harm's way.

While war rages on sixty light years from Earth, maniacal space raider Captain Stalls and hundreds of his pirated warships close in on Earth. Stalls knows exactly what he wants: to find and kill Captain Reynolds and take the beautiful Nan Reynolds for his own.
