Some of the best loved tales are Bible Stories.

The timeless tales of Noah, Joseph, Moses, David, Daniel and others are full of adventure, bravery and the fact that actions have consequences. These Bible tales can be inaccessible to children as the language is old fashioned and hard to read. These are our own versions of these stories, retold in an easy to read format.

As with all our children's books they are designed to be a 5 minute story for you to read aloud, but they are also meant to be simple enough for your children to read themselves.

Each story has a rhyme about the main character to add interest such as;

NOAH BUILT THE ARK TO SAVE,
PEOPLE AND ANIMALS FROM A WATERY GRAVE

This adds interest and helps the children connect with the story. They can join in.

There are also excellent language development ideas in the stories and important words come at the end of the chapter to talk about and explain.

Children love words that are unusual and often find it easy to recognise them and learn their meaning. This helps both oral and written English immensely and it's fun.
