The Riven Wyrde Saga continues...

The Wyrde is dead and gone, its protection passed into the ether. The fae have been loosed upon the world as they begin their wild hunt, a nightmare from fable and legend made flesh.

At Hesk, in the heart of the Barren Isles, Ylsriss must confront a reality she never could have imagined when her son is stolen from her by the fae. Her desperate attempts to reclaim him lead her far from her own world and deep into the Realm of Twilight, where a still darker truth awaits her.

As the Bjornmen invaders drive their way deeper into Anlan, King Pieter refuses to act. Selena is forced to confront him directly even as Devin and Obair flee Widdengate and begin a search for answers, seeking help from a woman who may be little more than a memory.
