Kerby: Funny tales from a 1990's Scottish childhood Mr Graeme Johnston

WARNING: Contains explicit content and strong language. Not for the easily offended!

EVER stood on the opposite pavement from a friend and launched a ball at their kerb for points?

Still feel guilty about the Tamagotchi you starved to death?

Disappointed 2015 hasn't brought hoverboards, self-drying jackets and flying Deloreans?

Remember swapping your doublers of McCoist and Leighton for that elusive Celtic badge shiny?

Then grab a copy of KERBY and relive the 1990s!

In his hilarious first book, Graeme Johnston looks back on what childhood in Scotland was like in the days when Neil Buchanan was everyone's favourite artist, an empty Irn-Bru bottle was worth 20p and even the humble Nokia 3310 hadn't been invented yet - with cringeworthy stories of classroom vomiting, diarrhea disasters and flagrant disregard for "NO BALL GAMES" signs, KERBY is sure to strike a chord with grown-up kids everywhere.

Kim Adams:

In this particular era which is the greater individual or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple strategy to have that. What you must do is just spending your time very little but quite enough to experience a look at some books. One of several books in the top record in your reading list will be Kerby: Funny tales from a 1990's Scottish childhood. This book that is certainly qualified as The Hungry Hills can get you closer in growing to be precious person. By looking upwards and review this book you can get many advantages.

Caitlin Cruz:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Kerby: Funny tales from a 1990's Scottish childhood can make you sense more interested to read.
