Never has a book been written that was so enticingly simple and easy to understand, and which at the same time, so eloquently and articulately laid out a path to understanding and experiencing true peace, joy, and divine love! Even the most turbulent storms of a discontented soul, anguishing in the hell of boredom, loneliness, helplessness, purposelessness, and despair will be soothed and transcended as the inspired words of Lilian distill upon the heart of the reader.

In these sacred pages, you will find gems of solace that are not just beautiful spiritual concepts, but are also down-to-earth practical approaches to finding one's true godly self in the midst of a world seemingly drowning in confusion and fear. Love is here. Joy is here. Peace is here.
