Practicing College Learning Strategies (Textbook-specific CSFI) Carolyn H. Hopper

PRACTICING COLLEGE LEARNING STRATEGIES, Seventh Edition, is a readable, straightforward, and practical text that focuses on creating a smooth transition to college for first year students. The text and activities are thoughtfully constructed using strategies supported by brain research and neuroscience. In addition, the structured activities and practices guide students in the reflection process to make the information personal and useful. By combining practical application with learning strategies theory, PRACTICING COLLEGE LEARNING STRATEGIES is a motivational tool teaching students how to learn. The author focuses on putting students in the driver's seat, teaching them how to use all of the tools at their disposal so they'll succeed in college and beyond.
