Solstice: A Winter Anthology

Winter.

For children, it is a season of memories: Tasting snow cream. Having a snowball fight. Building a snowman. Going sledding. Ice-skating. Enjoying a day off from school.

For adults, it is not always as memorable: Getting up early to watch for school closings. Finding the ice scraper or that missing glove. Cleaning off the car. Battling inclement weather conditions and traffic. Flu season. And let's not forget, it's just downright cold outside!

No matter what your age, the season of winter is a time of memories, both good and bad.

Harness Anthologies is proud to present its first collection of stories, essays, and poems devoted to all things winter.
