When magic, romance and family secrets collide, the result is spellbinding!

Miranda Kane has always felt like a screw up--at least when it comes to her ability to wield magic. Her only sanctuary is Shadow Falls camp, where she's learning to harness her powers as a witch. But thanks to her shapeshifter boyfriend who called it quits and ran off to Paris, both her heart and powers feel broken.

When she unexpectedly lands a top spot in a spell casting competition in France, she flies out with her best friends Kylie and Della. But her trip takes her straight into the heart of a dangerous supernatural mystery--and a heated romance. What Miranda doesn't expect is for her investigation to unleash shocking revelations...about herself, her family, and her arch enemy. Now Miranda must step up and show everyone that she's a witch to be reckoned with....before it's too late.
