**Confidante: The Brothel (Confidante Trilogy Book 1)** Lilliana Anderson

This is the full book version, no more teasers - this is it!

Ok, I'll admit it - My mother in law used to be a sex worker. She worked in a brothel, as an escort and, as a madame in and around Sydney Australia in the late '80s. It's something that she has confided in few people outside her immediate family until me. We are polar opposites in many ways but we get each other - as a result I have become the confidante in her life which is how this series has been born.

The exact year was 1989; Angeliem was 32 when she made the decision to enter a brothel to help support herself and her two sons. She quickly became the most popular girl there with her Kathleen Turner looks and her excellent 'acting' skills.

This is a biography about friendship, discovery and of course sex.

Confidante: The Brothel is a collection of Angeliem's most memorable stories of her month working in the brothel. Confidante: The Escort & Confidante.
