GRE Analytical Writing: Solutions to the Real Essay Topics Book 1 Reviews on Amazon.com (5 star Ratings)

“The tactics employed in the analysis of each issue task is to restate the task using negative terms, analyze the keywords in the task statement, state the opposite of the statement, restate it using different words and then present a sample solution to the statement. These are excellent tactics, giving the student many different perspectives in their search for a solution.”

“What the book strives to provide are instructions on how to focus on the ideas presented and then how to turn those focused responses into written results. The concepts posed are realistic and the authors take great pains to make sure the examples the students are given are positive influences on how the students think and respond in writing.”

“I love it, it helped me with the real test. Highly recommended, very useful, well organized, a lot of new vocabulary in each essay.”

“Excellent book, helped me a lot with my English composition. I would entirely recommend this book. Really clean and great writing process”
