Two very different men with a tumultuous history must overcome challenges from all sides and see past their society's rules to realize they are destined for one another.

Raised to become Alpha of the Yafenack pack, Samuel Goodwin dedicates his life to studying shifter laws, strengthening his body, and learning from his father. But despite his best efforts, Samuel can't relate to people, including those he's supposed to lead.

When Samuel meets Korban Keller, the son of a neighboring pack's Alpha, he reacts with emotion instead of intellect for the first time in his life. Resenting the other shifter for throwing him off-balance, Samuel first tries to intimidate Korban and then desperately avoids him. What he can't do is forget Korban's warm eyes, easy smile, and happy personality.

When a battle between their fathers ends tragically, Samuel struggles to lead his pack while Korban works to break through Samuel's emotional barriers. Two very different men with a tumultuous history must overcome challenges from all sides and see past their society's rules to realize they are destined for one another.
