A Diamond in the Desert: Behind the Scenes in Abu Dhabi, the World's Richest City Jo Tatchell

Tatchell takes us on a tour of the city with an outlook that's part native, part critic, part wide-eyed traveler. The result is a truly original collage of perspectives and images, from a regal expatriate whose husband was one of the first Brits to settle in Abu Dhabi to young Emirati artists celebrating their newfound freedom of expression. A compelling piece of history told with an intimate narrative voice, *A Diamond in the Desert* is an eye-opening and often haunting perspective on just how much this fascinating city has changed—and, for better or for worse, how much it has stayed the same.
