The year is 3015. Humanity has expanded into the far reaches of the universe. And the long-lost heir to this interstellar Universal Enterprise? The inheritor of MHG. The Mandate of Heaven Gene gifts you with prodigy-like intellect. You will never learn on pace with your friends. You will almost never be understood. And you will most certainly not live a normal life. Nika “Winter” is the unknowing MHG inheritor. She’s risen to the top of her class rankings and earned a prestigious spot at the V3 Academy of Scholars. With her superior brains and test scores, she might just catch the attention of the Director of the Universal Enterprise. But MHG unchecked comes at a steep price. Nika grew up a lonely, misunderstood girl. No one knows that in her solitude, she quietly journals about her internal hatred and turmoil. No one knows that under her icy cover she may be more than academic perfection. Not even herself. So what could bring her to recognize her own humanity? Only herself.
