## **David (The Hall of the Mighty Men Book 2)** Cliff Graham

"In honor of the tenth year of Solomon, son of David, the beloved of the Lord, king in Jerusalem, I have been commissioned to record the chronicles of those warriors known as the Mighty Men for you, great king. They were the men who came to your father in his hour of need. They were the men who fought with him. They were men, and that is the highest that can be written of them..."

Before he was the king of Israel, and before he slew the giant Goliath, David son of Jesse was a shepherd. In the hill country of Bethlehem, he will be tested in his first day of war, and will see for the first time how he can fight in the power of the covering.

A companion piece to the Lion of War series about the wars of King David, "David" is the second short story in the volumes of The Hall of the Mighty Men.

Narrated by Jehoshaphat, the historian of King Solomon, this collection of origin tales expands the Lion of War literary universe, and contains epic battles and feats of bravery unable to be included in the novels and upcoming movies.

Thrilling and passionate, The Hall of the Mighty Men is another chapter in the epic Lion of War series that fans will enjoy for years to come.
