This is the third book in The Darkling Chronicles

Natcha is a creature of fire, drawing in shadow to cloak herself from the dangers of the world. She has never known what she is or where she came from, but she knows her wings and claws make her different. The sea cliffs of Montenai are her home, the Aglatian Sea her playground, and the phantoms her family.

All her life, she has hidden in the Faunlier Mountains with her sister Nalene. Only the oath she swore as a child to a darkling father to watch over his son draws her toward the turmoil in Shadowland.

When unrest among the darklings, satyrs, nymphs, and dragon lords begins to bleed into her own life, Natcha wagers the welfare of one against the welfare of many. To protect all she holds dear, she must incur the wrath of Shadowland's leaders and become... the Thief.

But when power and love collide, can either really win?
