## **The Black Shadow** Mark Chandler

When Lucas Baker and his family moved to China, they knew it would be life changing. They didn't know to what extent: An earthquake leaves him in a coma and his family dead. The Black Shadow is a top secret anti-terror agent, funded by both the UK and US Governments. His assignment? Find out what exactly Marlus is planning - and make sure he doesn't succeed. Andrew Passfield is on the payroll. But when a simple job takes a nasty turn, it's obvious that Marlus wants him dead. But why? He needs to find out, but time is against him. 'The Black Shadow' is a fast paced, exciting adventure novel that will have your heart racing, your brain throbbing and you will definitely be asking for more! ### From reader reviews:

#### Patricia Howland:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people really feel enjoy to spend their time and energy to read a book. They can be reading whatever they acquire because their hobby will be reading a book. Think about the person who don't like reading a book? Sometime, man or woman feel need book whenever they found difficult problem or perhaps exercise. Well, probably you will need this The Black Shadow.

#### Eric Sanders:

Book is to be different for each and every grade. Book for children until finally adult are different content. As we know that book is very important for us. The book The Black Shadow had been making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The e-book The Black Shadow is not only giving you more new information but also for being your friend when you experience bored. You can spend your own spend time to read your publication. Try to make relationship while using book The Black Shadow. You never really feel lose out for everything when you read some books.

#### Vincent Espinoza:

Nowadays reading books are more than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The information you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want feel happy read one having theme for entertaining like comic or novel. The actual The Black Shadow is kind of reserve which is giving the reader unforeseen experience.

#### Joseph Levis:

Why? Because this The Black Shadow is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who have write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the reserve store hurriedly.
