## **Introduction to Electromagnetic Fields (Mcgraw Hill Series in Electrical and Computer Engineering)**

Clayton R. Paul, Syed A. Nasar

This introductory text provides coverage of both static and dynamic fields. There are references to computer visualisation (Mathcad) and computation throughout the text, and there are Mathcad electronic books available free on the Internet to help students visualise electromagnetic fields. Important equations are highlighted in the text, and there are examples and problems throughout, with answers to the problems at the back of the book.
