## **Nixon in the World: American Foreign Relations, 1969-1977**

In the 1970s, the United States faced challenges on a number of fronts. By nearly every measure, American power was no longer unrivalled. The task of managing America's relative decline fell to President Richard Nixon, Henry Kissinger, and Gerald Ford. From 1969 to 1977, Nixon, Kissinger, and Ford reoriented U.S. foreign policy from its traditional poles of liberal interventionism and conservative isolationism into a policy of active but conservative engagement. In *Nixon in the World*, seventeen leading historians of the Cold War and U.S. foreign policy show how they did it, where they succeeded, and where they took their new strategy too far. Drawing on newly declassified materials, they provide authoritative and compelling analyses of issues such as Vietnam, détente, arms control, and the U.S.-China rapprochement, creating the first comprehensive volume on American foreign policy in this pivotal era.

### From reader reviews:

#### **Peter Tesch:**

As people who live in typically the modest era should be update about what going on or data even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe may update themselves by reading books. It is a good choice for yourself but the problems coming to an individual is you don't know what one you should start with. This Nixon in the World: American Foreign Relations, 1969-1977 is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

#### **Jean Smith:**

Nowadays reading books be than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one having theme for entertaining including comic or novel. Typically the Nixon in the World: American Foreign Relations, 1969-1977 is kind of publication which is giving the reader unforeseen experience.

#### **Leslie Hackett:**

People live in this new day of lifestyle always try to and must have the free time or they will get large amount of stress from both day to day life and work. So , if we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we consult again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is usually Nixon in the World: American Foreign Relations, 1969-1977.

#### **Linda Mays:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Nixon in the World: American Foreign Relations, 1969-1977 can make you feel more interested to read.
