Aristotle's Theory of Poetry and Fine Art: With a Critical Text and Translation of the Poetics (Classic Reprint) S. H. Butcher

Excerpt from Aristotle's Theory of Poetry and Fine Art: With a Critical Text and Translation of the Poetics

The present volume has grown out of certain chapters relating to the Poetics in the first edition of 'Some Aspects of the Greek Genius.' These chapters have been enlarged and partly re-written; and further questions, not touched on in the earlier volume, and bearing on Aristotle's theory of tragedy, are here discussed. A text and a translation of the Poetics are prefixed to the Essays.

It is just a hundred years since a critical text of the Poetics has been published in Great Britain. Tyrwhitt's edition, which appeared at Oxford in 1794, was, indeed, the work of an admirable scholar; but since that time much light has been thrown on almost every page of this treatise. And yet even to-day, after all the labours of German scholars, no editor can hope to produce a text which will not provoke dissent on the part of competent critics.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
