Beer Explorer's Logbook: A Record of Great Beers Victoria Thomas

Beer Explorer's Logbook helps you recall a special beer a month or a year later-when you're writing about beer or brewing it. No more precious notes scribbled onto napkins that get lost or tossed. The Logbook organizes your evaluations of hand-crafted beers from brewpubs and microbreweries-even your own homebrewed beers-in a permanent record. Use it to chart your progress in judging beers, or as a guide to the beers you judge special. Provides pages for taste-testing fifty-two beers, a guide to beer styles, the official Flavor Wheel, quotes from leaders in the specialty beer industry, and a glossary of flavor and aroma terms for your handy reference. Foreword by Michael Jackson. Introduction by Stephen Elliot Hightower.
