Deuteronomy (Brazos Theological Commentary on the Bible) Telford Work

Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture.

The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In the eighth volume in the series, Telford Work presents a theological exegesis of Deuteronomy.
