The idea that opposites attract has never been more apparent than with Kirk and Allie, a happily married couple who couldn't be more different. Kirk is loud and wild, while his beautiful wife Allie is quiet and reserved, spending most of her days working as a librarian downtown.

When Kirk notices his gorgeous wife flirting with some businessmen however, a fantasy is ignited between them that will completely upend the traditional roles of this relationship. Soon enough, Allie is arranging a furious and filthy library gangbang, where she will be anything but quiet. Can Kirk handle seeing this other side of his darling wife when she's taken by a gang of other men?

This is a filthy short story containing 4,000+ highly explicit words. It contains rough sex, anal, double penetration, gangbangs, facials, hotwifing, cream pies, and cuckolding.
