USA TODAY Bestselling Novel!

Organization expert Kate McKenzie is on track to make her new business, *STACKED IN YOUR FAVOR*, a hit in small-town Vermont. But when her first client, the wealthy Amelia Nethercutt, is found dead, the job takes a decidedly sinister turn.

Kate thought she and her family were making a fresh start in her husband's hometown, but she quickly learns that small towns can hold big secrets. When her first client is poisoned just after Kate leaves her mansion, she knows she's gotten off to a bad start. But things only get worse when the police find Kate's fingerprints on the murder weapon, suddenly putting her in the position of suspect number one. The stopwatch is ticking for Kate to prove she had nothing to do with the murder, and the odds are further stacked against her when items stolen from the Nethercutt mansion start showing up in the McKenzie home. Now, Kate must trust her methodical skills and expert eye to sort out who is trying to frame her and to find the real killer before she's organized right into a jail cell.
