“Religion can be a realm of extraordinary power,” says U.N. Secretary-General Kofi Annan. “It can offer solace in troubled times. It can make sense of the seemingly senseless.” In *Pathways to Peace*, A. Jean Lesher, a dedicated participant in interfaith dialogue initiatives and an accomplished editor, has collected sayings from many of the world's religious traditions and leaders. Thematically structured according to a Jain chant for hope, love, and peace, *Pathways to Peace* envisions the transformation of conflict in our world into hope for the future through the wisdom of the world's faiths. It will be a source of discussion and reflection among members of all traditions who yearn for peace and greater understanding all over the world.
