Renewal Theology: Systematic Theology from a Charismatic Perspective (Three Volumes in One) J. Rodman Williams

Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, Renewal Theology represents the first exhaustive, balanced articulation of charismatic theology. Renewal Theology discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.
