*Roger Fanning*

**The Middle Ages (Penguin Poets)** Roger Fanning

**A new collection from a Whiting award and National Poetry Series winner.**

Thomas Lux has called Roger Fanning "an American original...[whose] poems are so pure, so piercing, so simple, so distilled that reading him is like taking a drunk-with-language dive into a moonlit lake on a night you believe you will live forever!" Fanning writes surprising and evocative poems that are filled with humor and ingenuity; Mary Karr says he "tunes us in to those minuscule instants of revelation that can keep life from being a long zombie convention." This new collection of poems, Fanning's first in more than ten years, in part chronicles a period of time when he suffered a break with reality, and continues his investigations into the drudgeries, the disappointments, and the joy of our daily lives.
