The finale of *The Way My Heart is Set Up*, Kyree is forced to grow up and take some responsibility for not only the drug habit she's started, but also the abusive relationship that she finds herself in with Chris. Chris has gotten Kyree's best friend pregnant, but he has so much more up his sleeve. Not only does he expect Kyree to deal with it, but he also refuses to let her leave. Even if that means putting his hands on her.

Kylah is fed up with being the recipient of all of Dame's drama. Kylah hates to make the decision of leaving Damian Parks, but she knows she has the strength to walk away; even if it means walking away from her relationship with his daughter. Kylah Blanks wants happiness once and for all, but her heart is not making it easy, and neither is Dame.

The finale of *The Way My Heart is Set Up* is emotional, and an adventurous ride, but as each sister fights their way to happiness, one thing is for sure...their hearts have been tried, tested, and ultimately set up to be put through the ringer and survive it all like always.
