City of Gold

Len Deighton

City of Gold Len Deighton

January 1942. Rommel's seemingly invincible Afrika Korps is at the gates of Egypt – perhaps soon to threaten Cairo itself.

Rommel has a spy in the city – a source so well-informed that the German commander knows in advance every movement of the allied forces.

Amongst the teeming streets and bazaars, the British, led by Major Albert Cutler, must find him. But Cairo is a city of fool's gold, where nothing and nobody, not even Cutler, can be taken at face value...

This new reissue includes a foreword from the cover designer, Oscar-winning filmmaker Arnold Schwartzman, and a brand new introduction by Len Deighton, which offers a fascinating insight into the writing of the story.

From reader reviews:

Stephen Stover:

As people who live in often the modest era should be update about what going on or facts even knowledge to make them keep up with the era that is always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know what type you should start with. This City of Gold is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Thomas Paris:

This book untitled City of Gold to be one of several books which best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit on it. You will easily to buy this specific book in the book retail outlet or you can order it by means of online. The publisher in this book sells the e-book too. It makes you quicker to read this book, as you can read this book in your Smartphone. So there is no reason to your account to past this guide from your list.

Joyce Lynch:

You could spend your free time to study this book this book. This City of Gold is simple to create you can read it in the playground, in the beach, train along with soon. If you did not get much space to bring the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Claire Davis:

Is it a person who having spare time and then spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This City of Gold can be the reply, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
