## Female Domination Short Stories Mistress Scarlet

I am a lifestyle dominant woman, but as a diversion from the Journals of my life that have been published, these short stories have grown in my imagination when I have thought about other lives I may have led; born of different times, circumstances or creed.

# Young Hilary is moved out to avoid Hitler's bombing. His destination is a house of five females. They had expected to receive a girl, not a boy.

# Gloria and Elles were both employed in the entrepreneur's hi-tech business. Unless he is taken under some control, their own blissful future could be in jeopardy.

# Mistress decides to experiment with a female submissive to augment her enchanting life with her boy-toy.

# Jearl is of Caribbean ancestry. Her husband will be away with his new job. Jearl's use and abuse knows no bounds with her new gift.

# A new governess arrives to take care of Edwin. The governess does not believe in sparing the rod, or in young masters possessing arrogant male pride.

# Beautiful Jessica settles into university life but she has always been spoilt and cannot bring herself to partake in the chore rota. An unwitting solution presents himself.

Over 34,000 words

More about me. I live with my husband, bitch-boy. Bitch-boy is a subjugated, trapped slave and source of amusement. He does all the chores and housework, and fetches and carries and his reward is enforced chastity, humiliation and punishment.

My tastes are eclectic. I enjoy inflicting petticoating humiliation as a little girl, school girl and French maid. I also enjoy lesbian cuckolding, sub-human slave treatment, babyfication, bondage, enforced hospitalisation, dickie-discipline, the use of an electrical box, tease and denial, and of course sessions of discipline to maintain appropriate standards of submissiveness
