How to be happy? Live on the street? Remain in present time?

Emily Heart can't. She's something new - abducted and genetically altered, Emily is figuring out how to live in one time and place, when any burst emotion might send her across time and space or possibly blink her right out of existence.

Imagine never being able to trust your feelings - because you don't know where they'll lead. Even with reporter Jim Miller trying to keep her safe, Emily's fighting a losing battle.

Who is the strange Orange Man? What dangerous technology is in his briefcase? Jim Miller, Emily, and boyfriend Derek aren't sure they want to know - but the Orange Man is gunning for them anyway.

Then, breaking all her own rules, Emily Heart finds herself alone in a showdown with the worst kind of evil. Can she figure out how to use her time-jumping talents to save herself?

The second installment of the mind-bending Emily Heart Time Jumper Series, *Glassford Girl: Part 2* is a gripping ride through space, time, and the hearts of a young woman, the people who want to keep her alive, and those who want her dead.

Book 2 in the Emily Heart Time Jumper Series

Interview with the Author

Q - So, what makes *The Emily Heart Time Jumper Series* special?

A - It's a mix of things, really. When I set out to write these books, I wanted to create something that mirrored exactly the kind of books I like to read: something unexpected, a little shocking and definitely heart pounding. Time traveler stories have been done to death and so have genetic engineering sagas. But rarely have they been mixed together with a homeless teenage girl whose emotions can send her jumping randomly across time and space. Emily can't have friends, can't get involved or fall in love, and can't let her emotions get the best of her.

The Emily Heart Time Jumper Series of books are a great mix of several genres: time travel, romance, paranormal, young adult, and urban, with a few kick-you-in-the-teeth surprises that few readers see coming!

Overall, *The Emily Heart Time Jumper Series* is designed to keep you turning the pages - and I've made sure there's never a dull moment. Judging by the reviews, I think I've accomplished my goals.

Q - What order should I read the books in?

A - I've written the series in several parts, each one as an episode or as some call it, short fiction. But you do want to read them in order starting with Part 1. Three parts are available now, with the final installment, Part 4, to be released in 2016.

Q - So, why should readers give these books a try?

A - Because The Emily Heart Time Jumper Series is a fast, fun, thrill-ride that takes no prisoners! Ultimately, readers who enjoy lightning-fast pacing with a plot that twists and turns all the way to the end will get one heck of a ride out of this very unique series.
