Hills of Home

Debbie Richard

Hills of Home Debbie Richard

Deeply rooted in Appalachia, *Hills of Home* offers a rich literary patchwork of reflection, memoir, and humor. The story opens in the 1950s in the remote community of Munday in Wirt County, West Virginia. Though comprised of a mosaic of individual stories, the compilation reads like a novel, and is characterized uniquely with the author's personal diary entries and a sailor's letters home.

Hills of Home is filled with light-hearted adventures, coming-of-age romances, pie socials, county fairs, older brother pranks, frog gigging, chicken canning, persimmon picking, porch sitting, and reunion going. Harsh winter survivals, personal family struggles, and humorous folklore, which have been handed down through generations, also grace the pages.

In *Hills of Home*, readers will discover that mountaineers have pride in their heritage as well as the natural resources of their state. They will discover people who are fiercely independent, hardworking, have a love for family, and a keen sense of loyalty to neighbors. Most of all, readers will find gracious friends, families, and neighbors who help one another in times of need, a quality which has proved sufficient to preserve their way of life in the hills.

Praise for *Hills of Home*

"I think the book is a valuable detailed and most honest documentation of a part of Appalachia that has not been celebrated so well until now."

--Earl Hamner, Jr., bestselling author of *Spencer's Mountain* and creator of the beloved *The Waltons* television series
