Los usos de la diversidad / The Uses of Diversity (Spanish Edition)

Clifford Geertz

Los usos de la diversidad / The Uses of Diversity (Spanish Edition) Clifford Geertz

La antropología creció en tierras lejanas, mares cálidos y poblados remotos. Su hábitat fue siempre la diversidad de hombres, sociedades y culturas. Pero aquellos gloriosos tiempos de viajeros indómitos amantes ambivalentes de la otredad más radical parecen haberse difuminado. ¿Cómo puede pensarse el discurso antropológico cuando el mundo que vivimos es cada vez más un mundo? Clifford Geertz, el antropólogo norteamericano más relevante de las últimas décadas, discute los términos de esta pregunta y defiende un relativismo moderado, que no concluye ni en un escepticismo de la comprensión ni en un pirronismo moral que imposibilitara la crítica intercultural. En la estela del particularismo americano y de la antropología interpretativa, Geertz polemiza con nuevas formas de etnocentrismo, que atribuye ejemplarmente a Lévi-Strauss y Rorty, en una época donde las sociedades de referencia de los antropólogos se han convertido en una suerte de collages culturales. En definitiva, lo que aquí se discute es la dimensión inevitablemente moral en que se desborda cualquier reflexión epistemológica sobre la antropología poscolonial. La introducción ha corrido a cargo de Nicolás Sánchez Durá, profesor titular del Departamento de Metafísica y Teoría del Conocimiento de la Universitat de Valncia.
