Social Support and Cardiovascular Disease (The Springer Series in Behavioral Psychophysiology and Medicine)

Social Support and Cardiovascular Disease (The Springer Series in Behavioral Psychophysiology and Medicine)

In this groundbreaking work, distinguished contributors explore the myriad relationships between networks of social support and the development, treatment, and rehabilitation of individuals with cardiovascular disease. Chapters span the range from conceptual to methodological issues, and take into account gender, environmental, and cultural differences. The book will provide a wealth of information for clinicians and students in the fields of behavioral medicine, psychophysiology, and cardiovascular disease.
